

Industrial Filter Supplies, Inc.

2251 Fraley Street, Philadelphia, Pennsylvania 19137 • Telephone: (610) 664-5790

Fax: (610) 664-2949

Manufacturers and Distributors of
Filtration Products for Industry

Product Information

Bags:

Filter Bags, Cartridges, Pleated Bags, Envelopes - Polyester, Polypropylene, Nomex, Epi-tropic, Sateen, P84, Other Special Media Available. Standard and special sizes designed to fit OEM units.

Liquid Bags:

Felt and mesh media, polyester, viscose rayon, polypropylene, nylon, teflon, saran, standard and custom sizes and designs, plate & frame media, vorti-siv and finex screens.

Cartridges

Resin Bonded — Phenolic impregnated Rayon Viscose; micron ratings from 1-150; 3" to 40" in length

Yarn Wound — 13 different medias; 6 core materials, core covers, extended cores; .5 to 300 microns; 3" to 40" in length.

Pleated-Media — polypropylene, cellulose, micro-glass, steel, stainless steel, available micron ratings from .2 to 1000. End cap styles including, spin-on, DOE, SOE double "O" ring and others. The end cap material and cores are compatible with the filter media.

Spun — polypropylene media; Micron Ratings from 1 to 100, 3" to 50" in length.

Bags:

Steel, stainless steel, plastic and lined; ASME code and non code; High pressure and custom designs available.

Compressor & Compressed Air and Gas Filters

Intake, Inline Pressure, Vacuum: Housing materials; steel and stainless steel, exotic metals available, connection sizes from 1/2" - up, high pressure and custom designs.

Replacement elements; 13 different medias, .3 to 700 micron, temperatures to 1000° F, steel, stainless steel and lined cores.

Air/Oil separators, coalescers and air exhaust — Steel, stainless steel and epoxy coated aluminum core materials, end caps also available in PVC and epoxy, borosilicate glass media from 99.999% D.O.P., standard and pleated designs.

Heating, ventilating and air conditioning (HVAC) — Throw away, pleats. bags, box, rigid, synthetic rolls, HEPA

Along with our original equipment we can also supply equivalents to the following:

Air Filters — Dust Collector and HVAC

Aeropulse	Dixie Air	Glasfloss	Ross
Aget	Dusty Dustless	Griffin	Servodyne
Airguard	Dustex	Hoffman	Stay Kleen
American Air (AFF)	Facet	Mac	Stephens
Cambridge	Farr	Mikropul	Torit
Carter-Day	Flanders	Nordson	UAS
Continental	Flex-kleen	Norblo	Western Precipitation
C&W	Fuller	Pangborn	Wheelabrator
DCE - Volks	Gala	Pneumafil	W.W. Sly

Liquid

American Felt	Filterite	Manville	Refilco
